EVENT INFORMATION

DISCOVER THE TRUE MEANING OF ADVENTURE

KTM South Africa is proud to announce the annual KTM Adventure Rally will be hosted at the world class Sun City Resort in the Pilanesberg. Taking place over 3 days (25th, 26th, 27th April), the 2024 edition will follow a similar format of past years. There will be 3 routes to choose from each day over 2 days of riding taking participants past some of the most breath-taking views and most beautiful country side South Africa has to offer including never before ridden trails on the technical route.

For the first time in the event's history, the 2024 Adventure Rally will take riders through a section of the Pilanesberg game reserve in a controlled environment before heading out into the open where riders of all skill levels will be challenged along the various routes. Day 1 will offer participants an external lunch stop before returning back to the resort. Day 2 will see all participants returning back to the resort for entertainment and skills challenges during the course of the afternoon.

The KTM Adventure Rally will consist of 3 nights accommodation and 2 days of riding. Each day will offer each participant the opportunity to choose between 3 various route difficulties (all tar, dirt and technical) allowing you to enjoy your KTM adventure bike in the way you are most comfortable. Challenge yourself with technical challenges and be entertained by your, orange blooded, friends as well as professionals throughout the day. Each route will take you through mind blowing passes and past some iconic landmarks. KTM South Africa will supply all routes on GPS files affording you the opportunity to ride at your own pace and take in the magnificent scenery. The KTM Adventure Rally is not a race and there will be no prize for the first rider back to the resort.

With routes for everyone, the 2024 KTM Adventure Rally is set to sell out fast with limited slots available for the event. Bring your partner along and enjoy a weekend away riding your bike on incredible routes and accommodate in luxury. All participants are able to enjoy the full Sun City experience as the event will take place within the resort allowing all participants to enjoy all the fantastic facilities on offer such as the Valley of the Waves, game drives, spa packages, etc. Three different accommodation packages are available for participants to book, ranging from the Sun City Cabanas, the Sun City Hotel and the Palace of the Lost City.

The 2024 South African Adventure Rally is open to all road registered KTM Adventure motorcycles. The Adventure Rally is tailored to suit the entire range of skill levels. For those that are most comfortable on the tar there will be a tar only route each day that will give you the opportunity to live the brand in a safe environment without stepping outside your comfort zone. There will be an offering of a dirt route each day which is pillion friendly and will consist of dirt roads, jeep tracks and some basic single track sections. Then for the hardcore rider there will be technical routes on offer as well which will challenge both rider and machinery.
