## ARE YOU READY FOR ADVENTURE? -

The KTM Australia Adventure Rallye is heading back to the High Country in 2022, set to return the orange adventure spirit to where it all began back in 2016!

This event was originally scheduled for November/December 2022, however due to weather conditions in the weeks leading up to the original proposed date in the Victoria regions, on 31/10/22 the decision was made to officially postpone the event to the new date of **February 19th - 24th 2023!**

The sixth KTM Australia Adventure Rallye: HIGH COUNTRY will feature a 5-day format that will focus on offering riders a truly remarkable experience exploring the Victorian High Country region. This will remain the 2022 KTM Australia Adventure Rallye, even though it will be held in February 2023 (... Think Tokyo Olympics!). As we will still host a 2023 KTM Australia Adventure Rallye as we had already been planning in September/October 2023! Details on the 2023 event will be released soon.

Open to Orange Adventure Riders with the following eligible KTM adventure bikes: 390 Adventure, 640, 690, 790, 790R, 890, 890R, 950, 990, 1050, 1090, 1090R, 1190, 1190R, 1290 and 1290R models. The Rallye is tailored to suit a wide range of rider abilities, from those in their first few years of adventure riding up to seasoned adventure pros.

With assistance from local experts who are all Rallye riders themselves, the routes are set to showcase the stunning landscapes that our great diverse country has to offer. Designed with the larger capacity KTM adventure range in mind, as well as the variety of rider abilities, the route offers plenty of options for riders to choose their own adventure and difficulty of ride.

The KTM Australia Adventure Rallye is about offering a great experience to our ORANGE adventure riders - and what better way to do that than with 5-days exploring one of the premiere adventure regions in Australia.

Bring old friends or make new ones, in the spirit of adventure riding, the KTM Rallye is about getting back to the basics and enjoying your KTM adventure bike with like-minded adventurers.

## 2022 KTM AUSTRALIA ADVENTURE RALLYE

### HIGH COUNTRY -

The KTM Australia Adventure Rallye: HIGH COUNTRY will start and finish at the unique lakeside town of Lake Hume, just south of Albury/Wodonga and the gateway to the High Country region.

From Lake Hume the Rallye will visit iconic alpine region overnight destinations through the week including Mansfield, Bright, Dargo and Dinner Plain.

With the route taking in everything from alpine peaks, to lush valleys complete with crystal clear river crossings, riders will also be able to experience the rich heritage of the region with stops at iconic huts and villages.

The High Country's stunning scenery combined with our local Rallye Route Coordinators track selection will offer riders the chance to experience this special region to its' full extent.

It has been six years since the inaugural KTM Australia Adventure Rallye kicked off in the Snowy Mountains region, and it is high time the orange adventure community brought the Rallye spirit back to the alpine region!

The aim for the KTM Australia Adventure Rallye is to offer options for riders to choose their own adventure and difficulty of ride, therefore we offer two route options daily for riders: Main Route and Breakout Route. The Main Route will feature gravel roads and more open flowing tracks, while the Breakout Routes offer advanced riders more challenging terrain in the form of rocky ascents and descents and deep river crossings!

## ACCOMMODATION & DINNERS -

It will be up to you, the rider, to book your preferred overnight accommodation. Once you register, you will receive a **REGISTERED RIDER DOSSIER: ACCOMMODATION** which will outline all the suggested accommodation venues, how to book and where the nightly Riders Briefing and Dinners will take place, which we call the “Bivouac”. Our overnight destinations might be a little more accommodating than the actual Bivouac at the Dakar though!

**BIVOUAC.** Each night we will have one particular location as the Bivouac. This is where your luggage will be available to collect each afternoon, as well as the dinner destination and the location of the nightly riders briefing and social revelry. The suggested accommodation locations are all within either walking distance or a short ride from the Bivouac every night.

**DINNERS.** Are included in the Rallye price every night! From the Welcome Dinner on the first night until the final Wrap-Up Dinner. So after a long day on the bike, you don't need to worry about having to hunt down some chow - we've got it sorted for you.

The KTM logo, consisting of the letters 'KTM' in a bold, italicized, black font, set against a solid orange background.

## NAVIGATION INFORMATION -

The Rallye is tailored to suit a range of rider abilities, from those starting out in their first year or two of adventure riding, to seasoned Adventure pros. In order to cater for this variety of levels, each day's course can be traversed in your own time, at your own pace, with two route options available daily - the Main Route and Breakout Routes.

Lead riders depart before the group each morning to ensure the tracks are clear, plus sweep riders bring up the tail end of the pack to assist with any issues that may arise throughout the day. A detailed route sheet for each day will be supplied at the nightly rider briefings, however for riders the main source of navigation comes in the form of GPS files, supplied prior to the Rallye. Therefore it is required that riders have a GPS unit to navigate for the event.

Riders are free to depart each morning between 8.00-9.30am, in their own time and on their own agenda. There will be Points of Interest on each days route sheet, so riders can stop and enjoy these along the way, as well as suggested breakfast and lunch stops.

## RALLYE SUPPORT -

**LUGGAGE SUPPORT.** Every rider will be allowed to place one bag (roll-bag or pack) in the KTM Luggage Truck, which will be carried for them between each destination.

**TECH SUPPORT.** We will have KTM Australia mechanics available to assist with any issues that may arise along the way that you cannot fix yourselves. This tech service will be limited to issues that arise as a result of the Rallye, not assistance with pre-existing issues. Therefore a pre-event Tech Check at your local KTM dealership will be necessary for all Registered Rallye Riders.

**TYRE SUPPORT.** We will have a Tyre Support available from the amazing Overlanders crew. For those who wish to get a new tyre or tyres fitted before the Rallye or during the Rallye. Pre-bookings are essential!

**GENUINE PARTS SUPPORT.** All riders are advised to bring spare parts along, however due to unforeseen circumstances that may arise when adventure riding, we will have Genuine KTM Spare Parts available for riders to purchase throughout the Rallye.

**MEDIC SUPPORT.** With the assistance of the outstanding crew from RaceSafe Australia, medical support personal will be on hand to assist throughout the event. The medical support will be available each day through multiple channels: sweep rider, 4WD backup vehicle and nightly at the Bivouac.

More information on all the provided support will be given to those who register for the events in the form of a REGISTERED RIDER DOSSIER.

The KTM logo is displayed in a bold, black, sans-serif font. The letters are thick and stylized, with the 'K' and 'M' having a distinctive shape. The logo is centered within a solid orange rectangular background.
