We are set to explore the Western, Eastern and Southern coastlines of the North Island, crossing 4 different regions over 5-days of pure adventure riding. Starting on the West Coast in New Plymouth riders will have the opportunity to explore the Taranaki region before heading toward the East Coast via Wanganui and Palmerston North, to finish up on the Southern Coast in the capital city, Wellington.

Open to Orange Adventure Riders with the following eligible KTM bikes: 390 Adventure, 640, 690, 790, 790R, 890, 890R, 950, 990, 1050, 1090, 1090R, 1190, 1190R, 1290 & 1290R models. The KTM Rallye is tailored to suit a wide range of rider abilities, from those in their first years of Adventure riding up to seasoned Adventure pros.

Designed with the larger capacity KTM adventure range in mind, as well as the variety of rider abilities, the route will include some windy gravel roads, rolling hills, private farmlands, coastal routes, plus native bush tracks which are sure to make any adventure rider smile ear-to-ear. You'll arrive at your accommodation famished and thirsty at the end of each challenging day, and you'll be happy, very happy you came along.

With assistance from local experts who are all KTM Rallye riders themselves, the routes are set to showcase the stunning landscapes that our great country has to offer – traversing all types of terrain taking you from coast to coast... to coast!

The KTM NZ Adventure Rallye is about offering a great experience to our ORANGE adventure riders - and what better way to do that than with an epic 5-days exploring some of the best routes the Southern regions of the North Island have to offer, on your KTM adventure bike. Bring old friends or make new ones, in the spirit of adventure riding, the KTM Rallye is about getting back to the basics.

## 2024 KTM NEW ZEALAND ADVENTURE RALLYE

### THREE COASTS-

We've done Coast to Coast, Northland and King Country... for 2024 the KTM Adventure Rallye will be exploring the bottom of the North Island. Adventuring to the Three Coast lines, West, East and South. The 2024 KTM Adventure Rallye will see us finishing up in the capital city of New Zealand, Wellington.

The KTM New Zealand Adventure Rallye: Three Coasts will start in the vibrant city of New Plymouth and make our way down the West Coast towards Whanganui, and onto Palmerston North. From Palmerston North we visit parts of the East Coast as we head further south down to Masterton. After a night in Masterton then KTM Rallye will finish off with some picturesque views of the South Coast as we head into the capital... Wellington.

The Routes will have a bit of everything, as we cross over 4 different regions there will be a different challenge every day, from the rich volcanic soil in Taranaki, rolling hills, and private farm lands, to Forests, Native Bush, plains and coast line.

The aim for the KTM New Zealand Adventure Rallye is to offer options for riders to choose their own adventure and difficulty level, therefore we offer two route options daily for riders: Main Route and Breakout Route. The Main Route will feature gravel roads and more open flowing tracks, while the Breakout Routes offer advanced riders more challenging terrain in the form of slippery Taranaki terrain, erosion mounds and untouched private farm lands!

## ACCOMMODATION & DINNERS -

It will be up to you, the rider, to book your preferred overnight accommodation. Once you register, you will receive a **REGISTERED RIDER DOSSIER: ACCOMMODATION** which will outline all the suggested accommodation venues, how to book and where the nightly Riders Briefing and Dinners will take place, which we call the “Bivouac”. Our overnight destinations might be a little more accommodating than the actual Bivouac at the Dakar though!

**BIVOUAC.** Each night we will have one particular location as the Bivouac. This is where your luggage will be available to collect each afternoon, as well as the dinner destination and the location of the nightly riders briefing and social revelry. The suggested accommodation locations are all within either walking distance or a short ride from the Bivouac every night.

**DINNERS.** Are included in the KTM Rallye price every night! From the Welcome Dinner on the first night until the final Wrap-Up Dinner. So after a long day on the bike, you don't need to worry about having to hunt down some chow - we've got it sorted for you.

## NAVIGATION INFORMATION -

The KTM Rallye is tailored to suit a range of rider abilities, from those starting out in their first year or two of adventure riding, to seasoned adventure pros. In order to cater for this variety of levels, each day's course can be traversed in your own time, at your own pace, with two route options available daily - the Main Route and Breakout Routes.

Lead riders depart before the group each morning to ensure the tracks are clear, plus sweep riders bring up the tail end of the pack to assist with any issues that may arise throughout the day. A detailed route sheet for each day will be supplied at the nightly rider briefings, however for riders the main source of navigation comes in the form of GPS files, supplied prior to the KTM Rallye. Therefore it is required that riders have a GPS unit to navigate for the event.

Riders are free to depart each morning between 8.00-9.30am, in their own time and on their own agenda. There will be 'Points of Interest' on each days route sheet, so riders can stop and enjoy these along the way, as well as suggested breakfast and lunch stops.

## KTM RALLYE SUPPORT -

**LUGGAGE SUPPORT.** Every rider will be allowed to place one bag (roll-bag or pack) in the KTM Luggage Truck, which will be carried for them between each destination.

**TECH SUPPORT.** We will have KTM New Zealand mechanics available to assist with any issues that may arise along the way that you cannot fix yourselves. This tech service will be limited to issues that arise as a result of the KTM Rallye, not assistance with pre-existing issues. Therefore a pre-event Tech Check at your local KTM dealership will be necessary for all Registered Rallye Riders.

**TYRE SUPPORT.** For those who wish to get a new tyre or tyres fitted before or during the KTM Rallye we will have Tyre Support available from AFC Motorcycles at the end of Day 3.

**GENUINE PARTS SUPPORT.** All riders are advised to bring spare parts along. However due to unforeseen circumstances that may arise when adventure riding, we will have Genuine KTM Spare Parts available for riders to purchase throughout the Rallye.

**MEDIC SUPPORT.** Medical support personal will be on hand to assist throughout the event. The medical support will be available each day through multiple channels: 4WD backup vehicle and nightly at the Bivouac.

More information on all the provided support will be given to those who register for the event in the form of a REGISTERED RIDER DOSSIER.
